

ITS United Kingdom Student and Apprentice Essay Awards 2019

Entries are invited for the annual ITS (UK) awards for students and apprentices. The awards, which were launched in 2001, and relaunched in 2015, were set up to encourage interest and participation in the development of ITS technologies.

Submit an essay on *Transport of the Future*

The awards will be for the best essay of 1500 words and is open to UK resident apprentices, undergraduates and MSc students with submissions endorsed by their employer or institution. Work may be based on existing course work, or written especially for the Award. Marks will be awarded for technical detail, innovative ideas and referencing of current best practice.

Awards will be made in two categories:

Best essay by an apprentice

Best essay by an undergraduate or MSc student

Entries should be in Word format and submitted by 31 May 2019, and be endorsed by a tutor, manager or other competent person

Entries and any questions to:- mailbox@its-uk.org.uk

Supported by

SMART
Highways
INCORPORATING TEC

The two winning entries will be published by ITS (UK), Smart Highways, and Highways and receive a £100 cash prize

The overall winner will be invited to present their paper at the ITS (UK) Annual Summit, Coventry, 17 October 2019
